Welcome

# INVITATION

On behalf of the **Austrian Society of Nuclear Medicine & Molecular Imaging (OGNMB)** and the **Congress Committee** we have the pleasure of inviting you to Bad Ischl, located in the heart of Austria

The symposium will be organized by the Austrian Society of Nuclear Medicine & Molecular Imaging (OGNMB). The 2022 meeting will be held under the auspices of our Congress President, Prof. Johannes Czernin from the United States of America. Renown clinical and preclinical experts from various domains of Medicine, Radiopharmacy, Physics and experimental Nuclear Medicine are expected to join us for this International Symposium. Invited lectures will cover a broad range of topics in scientific, diagnostic and therapeutic applications of Nuclear Medicine, and be accompanied by free submissions from experts in the field. We would like to invite you to hear and discuss exciting interdisciplinary presentations as well as informative CME sessions and to meet with friends in an picturesque environment that stimulates your thoughts and creativity. We look forward to welcome you to Bad Ischl.
